

SKATE TO GREAT WITH HMFSC

HMFSC is proud to offer a wide array of activities designed to get skaters of all levels on the ice and having fun.

Our group lessons feature a 30-minute lesson & 30-minute free practice under professional supervision.

Snowplow Sam:

An introduction to basic skating skills for students aged 3-4 years old. Small groups and special activities make this a fun experience.

Learn to Skate levels 1-6:

Foundations are important. These 6 levels provide the critical skills for figure skating, hockey and speedskating.

Learn to Skate pre-freeskate:

Bridge to higher levels of skating through the this program. Learn the foundation elements needed to jump and spin safely and well. Basic 1-6 required.

OTHER OPPORTUNITIES

Learn to Synchro:

Interested in learning the unique skills needed for synchronized skating? Have fun in a team environment while learning the moves showcased by our Houstonette teams.

Private Lessons:

For skaters interested in a one-on-one experience, private lessons may be available. Please see your learn to skate instructor or our Skating Director for more information and availability. Additional lesson and ice fees may apply.
